

The city motto is HIGH tech, HIGHER education, HIGHEST quality of life. We continually strive to make the community is as attractive as possible.

Although federal and state dollars for local funding are shrinking, we can continue to work to make our quality of life even higher. Your donations are one way of achieving this goal. Your support will make Pullman an outstanding community for years to come.

Individuals and groups can invest in our community's future by making contributions to the city of Pullman. The entire citizenry benefits from the thoughtful foresight of those who have given generously to making Pullman a better place.

It is our hope that the information provided in this brochure will create a greater awareness of these contributions. We challenge others to participate in this worthwhile civic cause.
